

Dear Customer,

WATER DISCLAIMER

Should the customer use a container initially supplied by the supplier or use their own personal container, it is essential that the container is suitable for the purpose for which it is intended and has been properly cleaned.

SPAR is committed to providing a good quality product. Regular water testing is done so as to ensure it is of a good quality and that our equipment is clean, safe and in good working order.

SPAR will not be liable for any injury, loss, illness or damage of whatsoever nature which may result from the consumption or use of the water by the customer in the event that the bottles are not clean or of suitable use for drinking water.
